SEQUENCE OF EVENTS RELATING TO EXPLORING FM RADIO AT LEHIGH UNIVERSITY

1. Board of Publications established FM Exploration Committee in October of 1961.
2. FM Committee held first meeting in November of 1961.
3. FM Committee completed first phase of investigations and suggested Board of Publications further consider an FM Radio Station at Lehigh. This was done in the Spring of 1962.
4. Board instructed S.I. Connor to obtain feelings of University Officials for a meeting in the Fall of 1962.
5. Harrisburg revealed that Lehigh was to be involved in Educational Television Network in the State of Pennsylvania. This heretofore confidential matter was released by the State in the Fall of 1962.
6. Board of Publications tabled FM matter at Lehigh until more could be learned about the status of Lehigh's role in TV.
7. Lehigh's role in local educational TV has increased; and the local TV station appears to be very close to reality. Equipment has been purchased, a license has been applied for, a corporation has been formed to include Lehigh personnel, school district people from Allentown, Bethlehem, Easton and the Allentown Diocese.
8. FM matter reopened by Board of Publications on January 9, 1963.
